

Annual and Term Plan Templates for Grades 2 to 13

A yearly scheme and a term plan you can copy into your record book, with each grade's units already listed.

How to use these templates

Copy the headings into your record book or print this page. For the Competencies column, see [English Competencies and Competency Levels by Grade](#). The units are listed in the order of each grade's Pupil's Book. **Fill in the term, weeks and dates from your own school calendar**; term dates and the number of English periods change from year to year and from school to school, so we have not filled them in for you.

These forms were written by RCF English and may be copied and adapted freely.
