

English Pupil's Books, Workbooks and Teachers' Guides

Every English book and guide the government publishes free, with a direct link to each one.

These are links to the official sites

These are the government's own books and guides, published by the **Educational Publications Department** and the **National Institute of Education**. Nothing on this page is an RCF publication, and nothing here is sold.

Everything below is served from the **RCF English Drive**, because the government download sites fail too often to be worth sending you to. **Download** saves the PDF straight to your device; **read online** opens it in Google Drive without downloading.

Every link here was checked and opened a PDF. If one ever fails, tell us and we will replace it.

Pupil's Books, Workbooks and other books

Published by the Educational Publications Department. Every link here is a **whole book**: where the department only publishes a book one unit at a time, we leave it out rather than send you to fourteen separate files. Grades 1 and 2 follow Activity Based Oral English (ABOE), so they have an Activity Book and a Song Book instead of a Pupil's Book.

Books we do not have a copy of yet

These books exist, but we have no copy in the RCF English Drive, and we do not link the Educational Publications Department's own site because its downloads fail too often to be worth sending anyone to. They will appear above as copies are added.

What is not on the official sites

So that you do not spend an evening looking for them.

What you may be looking for	What we found
Grade 4 Teachers' Guide	The NIE guide list has no English guide for Grade 4. Grades 3 and 5 are there.
Grade 7 and Grade 10 Pupil's Books	The department publishes these two only one unit at a time, never as a whole book. The complete books above are copies held in the RCF English Drive.
A/L General English textbook	There is no free copy of this book to download. The Teachers' Guide for it is above.
New 2026 Grade 6 book	The Grade 6 book here is the earlier edition, with the units Hello, Leisure Lesson ... Eco Friends. We do not have a copy of the new 2026 book.
Literature texts (O/L and A/L)	Prescribed novels, plays and poems are copyright works and are not published free. Grade 10 Appreciation of English Literary Texts is the one exception, and it is listed above.
